

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of our students reach grade level standards.

Our Compact will Benefit everyone!

Jointly Developed

The support staff, parents, students, and teachers of Ault Academy developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact.

Parents and Stakeholders are welcome to contribute comments at any time!

If you would like to volunteer, please contact Dr. Janice Brewer, Principal.

Activities to Build Partnerships

Anytime parents visit Ault Academy from luncheons to academic workshops—our partnership is strengthened! Please check the student handbook/calendar for all events. If you would like to volunteer or mentor at the school, please call us!

Communication and Student Learning

Ault Academy is committed to frequent two-way communication with our families about student learning. Here are some ways we communicate:
