Plan Revised: March 28, 2024

What is Title I?

Ault Academy is identified as a Title I school as part of Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to challenging state academic standards to reinforce and enhance efforts in improving teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parent involvement.

Title I schools must jointly develop a written parent & family engagement policy.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Ault Academy will provide opportunities to improve parent & family engagement to support student learning. Ault Academy values the contributions and involvement of parents to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Ault Academy will support parent & family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

In both the Fall & Spring Semesters we hosted virtual meetings. We scheduled one am & one PM meeting each semester to accommodate the parent's schedules. Parent input and comments regarding this plan are welcome during the school year through a form available in the Parent Resource Center. The plan is also posted on our school website for families to view and submit feedback throughout the year.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. Ault Academy will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

Where is it available?

Copies of the plan will be available at our Annual Title I Parent Meeting at the beginning of the year. Copies are also available at the Administration Office with other parent and family resources. There is a copy posted on our school website as well.

2024-2025 District Goals

School-Parent Compacts

As part of this plan, Ault Academy and our stakeholders will develop a school-parent compact which is an agreement that stakeholders, teachers, and students develop to explain how all parties work together to make sure our students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from parents, students, and teachers at the beginning of each school year.

Parents will receive a copy of the compact to keep at home.
Compacts will be reviewed with parents during the year as well.

Let's Get Together!

AULT Academy will host the following events to build the capacity for strong parent & family engagement to support a partnership among the school, parents, and the community to improve student academic achievement.

Letters, newsletters, and flyers will be mailed to families to communicate about events. Flyers will be posted around campus for additional invites to stakeholders.

Our parent resource center is located in the Administration Office. There are several brochures on a variety of topics to parents. Hours of operation are 8:00-5:00.

Parental/Guardian Engagement

Ault Academy believes that parental engagement means the participation of parents or guardians in regular two-way and meaningful communication involving student academic learning and other school activities, including ensuring:

- That parents/guardians play an integral role in assisting their child's learning.
- That parents/guardians are encouraged to be actively involved in their child's education at school.
- That parents/guardians are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.
- The carrying out of other activities as described in this plan.

AULT Academy is committed to helping our parents attend the parental activities listed in this plan. Please call us if you miss a meeting and would like a copy of the minutes or would like to discuss agenda items on the phone: (706) 884-1717, ext 1114

Empowering Learning in a Safe, Supportive and Conducive Environment

Ault Academy will take the following measures to promote and support parents/guardians as an important foundation of the school in order to strengthen the school and reach our school goals. We will:

- Ensure that all information related to school and parent programs, meetings, and other activities is communicated to families via classtag. We will also be sure information is printed in our monthly newsletters.
- Provide regular information for staff during faculty meetings and in staff updates on strategies to improve communication with parents/guardians. Staff will also share best practices during regularly scheduled faculty meetings.
- Partner with Community resources such as Partners in Education to celebrate accomplishments for our students.
- Share information in newsletters and on the website for parents to understand the school's academic standards and assessments as well as the ways parents can monitor their child's progress and work with educators.
- Communicate with parents/guardians on a regular basis through informal communications, utilization reviews, conferences, letters/emails, newsletters, and phone calls.
- We will gather feedback from parents/guardians in regard to parental involvement in our school and share all perspectives with staff to establish a plan to better build relationships between Ault Academy and stakeholders. Feedback will be gathered during UR meetings, from evaluation forms at parent meetings, and from the Suggestion Box located in media center.
- Provide necessary materials and handouts for parents at conferences, meetings, and activities to help parents know how to best support their students.
- Provide translated materials and interpreters during meetings and conferences to the extent possible to help parents work with their child to improve achievement.

Family Liaison

We have a Family Liaison in our building who strives to strengthen ties between home and school. Deidre Campbell is an asset to our school.
